6 Reasons to partner with **RABINE PAVING**

Pavement specific engineers on staff ensure projects are completed with the best design and material for that particular job.

Innovation is a priority of *Rabine Paving*. We are at the forefront of new and original products such as whitetopping, roller compacted concrete and pervious pavements.

High-tech equipment allows *Rabine Paving* to complete jobs efficiently and with the highest quality on a consistent basis.

At **Rabine University**, seminars are conducted on a consistent basis in our auditorium and on our 100,000 sq ft pavement R&D parking lot for customers, teammates and partners.

Rabine Paving provides total parking lot **construction and maintenance**, including asphalt and concrete repairs, striping, crack sealing and patching.

Community is important to *Rabine Paving*. We strive to improve and support the communities we work and live in through our nonprofit organization, *Rabine Group Foundation*.
